Would you be interested in sponsoring our: **TKMR Farming Conference** **Monday 26th November 2018** **@ Deanwood Park Golf Club, Newbury**

Our last event in 2016 saw our best ever attendance of 110 delegates and we are working hard to create an informative and enjoyable afternoon this year.

The speakers we have been fortunate to secure so far are:

- **Susan Twining – CLA Chief Land Use Policy Adviser**
- **Tom Bradshaw – NFU National Combinable Crops Board Chairman**
- **Adelle Issacs – Farm Partner, Larkmead Vets**
- **Tom Hind – Chief Strategy Officer, AHDB**

Thank you to all the companies who have confirmed their sponsorship for our event. Please see the June Newsletter for Sponsorship prices & packages & if you would like to Sponsor the TKMR Conference please do contact Sandi or Camilla @ office@tkmr.co.uk as soon as possible.

Wanted

We have a member in West Berkshire who would like to purchase 'Haylage suitable for sheep'. If you are able to help please contact Steve at the Ring Office.

Training Course

One of our Training Companies has a space on a tractor driving (16-21 year olds) course which they are running on Friday 27th July.

If you would like to book a place on the course or need more information, please do not contact Sandi or Camilla in the Ring Office and we will put you in contact with the training company.

Accommodation / Campsite facilities / Mobile Homes - Wanted

We have a new Member, an Agency who can offer additional Labour as and when throughout the year. They are based north of us and they have joined most of the Machinery Rings.

The staff they send down to us would all have the required certification and will all come down prepared to stay for as long as required. They have to pay for their own accommodation & would prefer something relatively cheap but decent.

If anyone has holiday accommodation/Annexes/ Mobile homes/camp site facilities that you could offer in our Ring area that you would be happy to rent out for weekly/daily periods, please let us know.

We will compile a list in the office in order that we can help members find labour. We do stress though they couldn't pay full holiday rental rates, it would be somewhere to sleep for a worker for a few days/weeks.
