Have you considered a Fuel Card?

If the Government increase Fuel Duty in the first Budget in October, the price at the pumps is likely to rise as well. A way of saving money on your daily/weekly/monthly fill up's is to get a fuel card/s.

There are many fuel cards available from our Buying Groups so please do contact Steve or Camilla in the Ring Office to discuss your requirements.

The current price for Fuel using a Fuel Card for week commencing 28/10/2024

AF Key Fuels Card is 127.70ppl (inc VAT)
UK Fuels Card is ppl 128.18 (inc VAT)
Esso Fuel Card is 128.27ppl. (inc VAT)

Price for UK Fuels & Esso Fuel Card are for Diesel & Petrol. Key Fuels card is just Diesel. As with all the prices, please check the pump price as they are not always cheaper than the fuel card price.
